* Winter conditions at Glenmore

The Cairngorm Mountains are excellent for skiing, you can call the mountain for daily ski runs available on **01479 861261**. For weather updates please visit www.mwis.org.uk

The campsite is 300 meters above sea level and in the winter the site temperature is between -3 to as low as -22. Please make sure you have to hand a number for your recovery service, a snow shovel, snow chains, extra blankets and sufficient food.

Speed limit

The speed limit onsite is 5mph, as there are often young children playing, we ask you to take special care when driving on site.

Barbecues

Because of the danger of fires in the forest, open fires are not allowed onsite. Barbecues may be lit provided they are raised off the ground and are in a suitable container – please no wood burning.
